I. PURPOSE

To adopt an official policy to establish a set of fees and charges that is fair and equitable for the use of facilities and equipment and the participation in programs sponsored by the Cabarrus County Parks Department.

This policy, upon adoption by the Cabarrus County Board of Commissioners, shall be applicable to all individuals for the use of park facilities and recreation equipment and the participation in programs conducted by the Cabarrus County Parks Department until such time as it is altered, modified, or rescinded by the Cabarrus County Board of Commissioners.

II. POLICY

The Cabarrus County Board of Commissioners hereby establishes the following Parks Fees and Charges Policy:

A. Statement of Need

The Parks Department offers diversified recreation services to its citizens, recognizing governments' responsibility to provide public recreation facilities and leisure opportunities. Due to the demand for services, rapid increase in operation and capital costs, and the limited amount of available tax revenues, it has become difficult to maintain existing levels of service, much less provide new services. Therefore, it is deemed necessary for Cabarrus County to develop a sound and consistent fees and charges policy for Parks services that is both fair and equitable. The underlying goals of such a policy must remain to provide the broadest services to meet needs of the community, and to assure equitable delivery of those services.

B. Department's Philosophy

The basic principle of Cabarrus County Parks Department is to offer the most efficient and diversified recreation services to ensure all citizens equal opportunities as follows:

1. To improve the quality of life for each individual through recreation and leisure opportunities.
2. To provide and maintain parks and recreation facilities for use by the general public.

3. To provide trained and qualified personnel for supervision and instructions in recreation programs and activities and facility maintenance.
4. To welcome public input into planning and evaluation of recreation programs, activities, and facilities.
5. To provide the opportunity for all residents of Cabarrus County to participate in programs and activities and to fully utilize the facilities of the department.

C. Basic Services and Basic Facilities

Basic Services and Basic Facilities shall be offered at minimal or no charge. These services are those which tend to preserve and promote physical and mental well-being, provide patron safety, instruct in basic skills, and provide public parks and community facilities.

1. Basic service examples include program brochures, community assistance, program planning, clinics, and general public events.
2. Basic facilities include, but are not limited to, family picnic areas, park playgrounds, athletic facilities open spaces, walking trails and comfort stations.

D. Special Services and Special Facilities

Special services and special facilities shall be assigned participation or usage fees based on a specified percentage of the direct operation and maintenance cost.

1. Special services include, but are not limited to, organized adult athletics, instructional programs nature/wildlife environmental programs, a pool, classes, and tournaments.
2. Special facilities include, but are not limited to, rental rooms and buildings, lighted ballfields, lighted tennis courts, lighted soccer fields and picnic shelters.

E. Fees and Charges

Fees and Charges shall support other resources available to the Cabarrus County Parks Department, not replace them or be used to reduce the County's responsibility to provide public recreation facilities and leisure opportunities. They provide a means to continue, and expand as necessary, the ability to offer both basic and special services to Cabarrus County citizens.

III. CRITERIA FOR ESTABLISHING FEES AND CHARGES FOR SPECIAL SERVICES AND FACILITIES

- A. The determination to assign a fee for a special service and/or facility shall be based on one or more of the following criteria:
 - 1. The cost per user hour. This is usually due to one of the following:
 - a. The service uses consumable materials.
 - b. The service requires a facility with operating, utility, or maintenance costs.
 - c. The service requires special preparation or clean-up.
 - d. The service requires special supervision or instruction at additional cost.
 - 2. Use of the service or facility tends to be limited to a relatively few individuals or special interest groups; therefore, those who benefit to the exclusion of others should pay extra for the privileges enjoyed.
 - 3. Charging an admission fee to a special event allows for revenues collected to be used to extend the activity or cover the cost of the event.
 - 4. Charging a fee serves an independent function such as one of the following:
 - a. Rationing limited facilities among a large number of users.
 - b. Aiding in discipline or control.
 - c. Promoting respect for an activity and/or service.
- B. One or more of the following pricing alternatives will be used in establishing the fees and charges for special services and facilities:
 - 1. To recover the partial or percentage cost of providing the service.
 - 2. To recover all of the direct operating expenses.
 - 3. To recover the actual cost of providing the service, and the interest and amortization of the initial capital investment.

4. At the rate which will result in efficient use of a given area or improvement.

IV. FEES FOR SPECIAL SERVICES

- A. Fees for special services shall be reviewed annually, and adjusted as necessary, to recover an established percentage of the programs direct operation costs. Direct operation costs include, but are not limited to, the following:
 1. All part-time wages necessary to conduct the program.
 2. The payment of sports officials, recreation instructors, and contract personnel necessary to conduct the program.
 3. The rental of facilities and utility cost directly related to the program.
 4. The purchase of all equipment and supplies for use by the program participants or personnel.
- B. In the event a community and/or volunteer organization provides the required staffing and/or a portion of the services and supplies needed, and/or a portion of the costs through a sponsorship agreement, the established fee shall provide for the recovery of program operation costs related only to the direct cost incurred by the department subtracting the amount of the donation.
- C. Any surplus revenue from one program may be utilized to offset cost for other related programs.
- D. The following guidelines shall be used in determining annual departmental program fees and charges.
 1. Adult Programs: Fees for participation in these programs shall be established to recover an average of 100% of the direct operation costs required to provide the programs.
 2. Instructional classes, workshops, and programs: Participants, regardless of age, will be charged a fee to be determined by adding cost of the contract instructors, any program supplies, rental or area charge, facility maintenance, and promotional charges, and dividing this figure by the estimated number of participants necessary to successfully conduct this class.
 3. Special Programs/Events/Tournaments: In general, the design of all ongoing and new special programs/events shall be structured to maximize revenues to foster future events and/or specific projects within the Parks system. Corporate Sponsorship and donations

shall be secured to provide these services to the general public at minimal or no cost.

V. FEES FOR SPECIAL FACILITIES

A. When not in use for department sponsored and co-sponsored activities, designated areas and facilities may be rented by organizations and the general public in accordance to established policies and procedures.

1. Area and facility rental rates will be computed by adding the personnel costs, an hourly utility cost, and any related cost for the facility in question. Groups coordinating fundraisers' such as but not limited to road races, walks, festivals, etc. must meet with park management to discuss logistics of event and what is needed to be reserved.
2. Recreation equipment will not be rented but can be used by County Funded Departments.

Cabarrus County may also require a waiver of subrogation from the sponsoring organization or group. Not all Park facilities are able to accommodate additional equipment or activities These facilities also may not be able to accommodate a power source or water source.
- G. School vs. County-owned Facilities (Public and Private Schools that receive County tax dollars) of Cabarrus County and City of Kannapolis.
1. As mutually agreed, no charges are assessed by either party for use of schools and parks facilities. Availability of all facilities is based upon the primary user having priority and the secondary user requesting access during available periods. Any additional manpower needed shall be paid by the requesting group.
- H. Revenue Producing Facilities will be developed in parks to supplement General Fund revenue and to provide the public the broadest possible offering of recreation opportunities. The number and type of facilities shall be gauged to provide desired services without acquiring a commercial image. The service in itself must be the first priority in determining the need and standard of operation for the facility.

Tournament Reservations

The Cabarrus County Parks Department is committed to allowing organizations the opportunity to use our facilities to conduct tournaments. However, because of the many different associations and types of programs available, conflicts will arise where the facility is being requested by more than one user. Requested dates will be assigned based on:

- Tournaments will be assigned to organizations on a yearly basis.
- Organizations with successful tournaments from previous years will be given first choice to have the same weekend each year
- Priority is given to world, national and state tournaments over local qualifying and invitational tournaments.
- Park Management has sole authority on issuing tournament dates based on availability of fields, past tournaments, history of organizations, and use of fields for new organizations.

The Cabarrus County Parks Department will solicit for tournament requests dates from all organizations that have contracted with us during the past year for all dates for the following year. Addresses and email addresses from the previous year's tournaments will be used to send this information out. These

requests must be submitted in writing and include the organization, tournament requested date, type of tournament, and if this is an existing tournament from the previous year or a new tournament.

These requests will be due to the Cabarrus County Parks Department by December 1st.

Once the request is received, the Park Program Manager will review the requests and send confirmations to each organization with the approved / denied dates.

Once confirmations are mailed, the organization has seven (7) business days to send in their initial security deposit. If security deposit is not received in seven (7) business days then all tournaments by that organization will be removed and those dates will reopen for others.

Any dates that are available after the initial requests will be reserved on a first come first served basis.
