ACTIVITIES

UNEARTH A STORY™

AGES 12-18 READING LOG

Are you a rock hound? A crystal girlie? Unearth and collect all the rocks by reading! Once you have reached 12 hours, you have the choice to complete the Summer Reading Program by reading 3 more hours, or by checking off 3 of the suggested activities!

Library

- Tell a librarian what your favorite dinosaur is
- Tag us on social media with a picture of your own time capsule
- Attend a SRP library program

Explore Your Community

- Visit a local museum
- Try an outdoor activity (camping, hiking, biking, etc)
- Visit a zoo

Science

- Go outside and identify 5 things in nature (animals, plants, trees, etc.)
- Bring in your favorite rock and tell a librarian how you found it
- Try out a simple DIY science experiment.
