

Cabarrus County Weatherization Program and Heating and Air Repair and Replacement Program (HARRP) Program

The Weatherization Assistance Program and Heating and Air Repair and Replacement Program help low-income, elderly, and disabled residents in Cabarrus County save energy and reduce their utility bills by improving energy efficiency.

The mission of the North Carolina Weatherization Assistance Program is to improve household energy efficiency and energy related health and safety, for low-income North Carolina residents. The Heating and Air Repair and Replacement Program focuses specifically on the repair or replacement of unsafe, inoperable, and inadequate heating and cooling systems. Assistance is available to low-income residents living in single-family houses and mobile homes. **You DO NOT** have to own a home to be eligible. Renters **MUST** have written permission from the property owner before services are rendered. Eligibility criteria may vary between programs.

To qualify for the program, the gross household income must be at or below 200% of the Federal Poverty Guidelines.
